

Savanna is designer and illustrator who is inspired by nature and psychology. Fascinated by colour, whimsical florals and feminine subject matter. Her designs are very stylised with an emphasis curviness and the hand-drawn line. Inspired by maximalism and minimalism is a paradox regularly explored in her work. A fan of William Morris, Liberty Prints and the Victoria and Albert Museums heritage aesthetic.

SUITCASE

Lilly craft is a floral collection inspired by the untamed folliage that is left to blossom and rewild the surrounding area. This is a modern take on the arts and crafts movement with a touch of whimsey and rusticity. This colourway is called **Chilli.** 

Vines - Fusia

Petal Leaf - Blush

Pom Poms - Tangerine

Feather Vein - Dark Mustard

Vines - Coffee

Lilly craft - Chilli

Lilly craft is a floral collection inspired by the untamed folliage that is left to blossom and rewild the surrounding area. This is a modern take on the arts and crafts movement with a touch of whimsey and rusticity. This colourway is called **Natural.** 

Vines - Fusia

Pom Poms - Tangerine

Feather Vein - Dark Mustard

Vines - Mint

Lilly craft - Natural

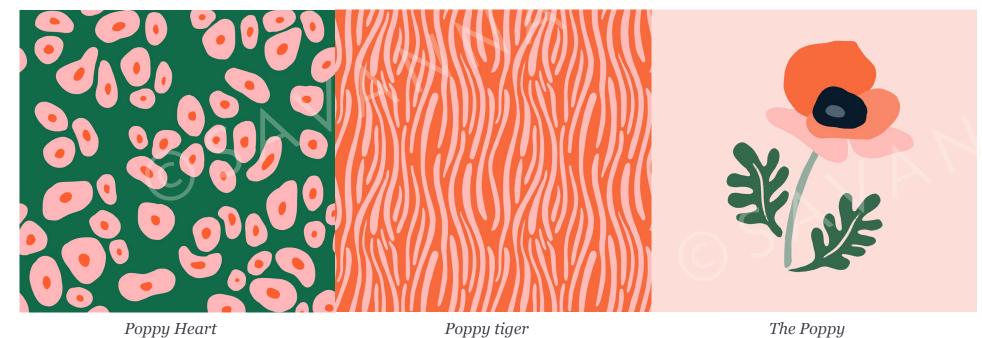

Poppy Queen is vibrant collection inspired by poppies and the fauvism art movement characterised by expressive shapes, curves and boldness.

Little Red Rouge Drop
